**FOR IMMEDIATE RELEASE**

## **LIMITED ACCESS PLANNED FOR CARBON CANYON ROAD AS CREWS IMPLEMENT MAINTENANCE WORK**

---

**Chino Hills** – Commuters will experience restricted access to Carbon Canyon Road (State Route 142) on Thursday, July 14, as crews implement landscape maintenance work. Beginning at 9 a.m. and ending at 2 p.m., Caltrans workers will clear shrubs and weeds from the Orange County line to Canyon Hills Road in an effort to improve visual clearance for motorists.

Commuters can expect one-lane traffic controls as flaggers direct motorists through the work zone. Motorists are advised to use extra care and remember to drive at reduced speeds through the construction area.

Information on ongoing transportation projects throughout San Bernardino and Riverside counties is available on the Caltrans District 8 Web page for press releases. Please visit the Web page at: [http://www.dot.ca.gov/dist8/press\\_releases.htm](http://www.dot.ca.gov/dist8/press_releases.htm).

For various project updates, call Caltrans directly at (909) 383-4631. Motorists are reminded to be alert, be careful and ***SLOW FOR THE CONE ZONE***.
